

Trade Mission 2010 Announcement

Dear CEBC Member:

I have the pleasure to announce that our *Sixth Business Trade Mission* to Canada (Toronto, Ottawa & Montreal) will take place from Sunday, September 26, 2010, through Friday, October 1, 2010.

This year's mission will be headed by **H.E. Dr. Tarek Kamel**, Minister of Communications and Information Technology, as well as representatives of different concerned ministries and heads of the banking sector.

The goal of our missions is to portray the business atmosphere in Egypt to the Canadian side, attempting to find ways to increase bilateral trade.

Our meetings serve to introduce new companies to these rapidly expanding markets as well as to enhance Egypt-Canada relations, and are crucial in presenting the private sector's views, on a host of significant bilateral and regional issues.

The mission is intended to assist the participants' experienced companies doing more business through holding one-on-one meetings, conferences with premium Canadian counterparts in addition to special events with the Egyptian business communities in Canada.

We look forward to your response, we believe that your active participation is behind the success of our missions.
